## Te Manawa has 7 loan kits available for hire:

### FISH

This kit contains heaps of fun activities including some about our native New Zealand fish.

**Science Living World Level 1-4**

### K'NEX (Basic - 2 kits)

This kit comes with all the K'Nex pieces, small kit boxes for individual/paired use by students and diagrams of models that can be built. Brilliant for technology challenge activities and problem solving.

**Technology Level 2-4**

**Mathematics and Statistics Level 2-4**

### K'NEX (Solar Energy - 1 kit)

Three identical solar energy K'Nex packs come with this kit. Each one contains K'Nex pieces, a solar panel, a motor and a book of models that can be built using them.

**Technology Level 2-4**

### MINI BEASTS

Spiders, insects and other arthropods of all descriptions are covered in this kit. There are mini-beasts in resin, books, games, CD ROMs and lots of other hands-on activities.

**Science Living World Level 1-4**

### HUMAN SKELETON

This kit contains a full sized human skeleton on a stand, a skeleton in pieces to be put together, a big book, a poster and more.

Activities include the Bone Name Game, and How can we look after our bones?

**Science Living World Level 1-7**

### BROWN KIWI & NZ BIRDS RESOURCE

This kit is in 2 parts. It has a display case containing a brown kiwi and also activities that involve other NZ birds.

**Science Living World Level 1-4**

## SUITABLE FOR SECONDARY STUDENTS:

### HUMAN EVOLUTION SKULLS (2 kits)

Replica skulls including *Paranthropus boisei*, *Australopithecus africanus*, *Homo erectus*, *Homo sapiens neanderthalensis*, *Homo sapiens sapiens* (Cro-Magnon), *Homo sapiens sapiens* (modern human), *Pan troglodytes* (chimpanzee) and supporting material.

**Science Living World Level 7-8**

## CHARGES

(All prices exclude GST)

Loan Kits	Cost (per week)
Fish	\$25
K'Nex (Basic)	\$25
K'Nex (Solar Energy)	\$25
Mini Beasts	\$25
Human Skeleton	\$25
Brown Kiwi & NZ Birds Activities	\$25
Human Evolution Skulls	\$50

**These charges do not include transport** as schools are given the choice of collecting/returning kits themselves or we can courier to the school. This will be added to the invoice.

Schools are invoiced on return of the kit for the length of the time it was borrowed. **Any late returns will be charged a minimum of one week's rental.** Please return the loan kits promptly as another school may be waiting for them.

We expect some wear and tear on the loan kits but there will be a fee for loss or unreasonable damage.

Please fill in the evaluation form included in the kits. This helps us to assess whether or not the kits are meeting your needs.

Thank you
