

The Science Centre Inc.

PO Box 1015, Palmerston North 4440

Supporting science and technology at Te Manawa

Registered with the Charities Commission (CC29668)

Membership invitation for 2020-2021

Dear Science Supporter

We invite you to join with The Science Centre Incorporated and Te Manawa. The Science Centre Inc. is a collective of scientists and science enthusiasts of all ages who provide support and input to Te Manawa, influencing science content and delivery at the museum. Our membership year commences 1 July but you can join at any time. Annual subscription is \$25 prorated¹ by the year quarter in which you join. Membership includes up to 2 adults (with voting rights) at the same address and their children.

With global events this year highlighting the importance of science, The Science Centre Inc. is moving forward with the re-creation of a permanent science presence at Te Manawa. We hope to shortly unveil dedicated space for science as "*Science Lives Here*". With the support of the Science Centre Trust, *Bugs! Our Backyard Heroes* exhibition opens on 17 October 2020 and runs through to 2 May 2021.

Members receive invitations to openings (with a particular focus on Science exhibitions). You are also welcome to arrange a Back of House Tour of Te Manawa's Arts and Heritage Collections for a group of up to ten. Members also receive a 10% discount on most items at the Te Manawa shop and a 10% discount on entry to most paid exhibitions.

Please supply your contact details on the slip below so that we can effectively communicate with you. An e-mail address means we can let you know of special activities in an inexpensive, timely fashion. Alternatively, you can download the membership form from <https://www.temanawa.co.nz/about/societies/> For more information, please contact one of the people below. Please send your membership form to Beth Taylor at the postal address above or the email address below.
